## We are OYO

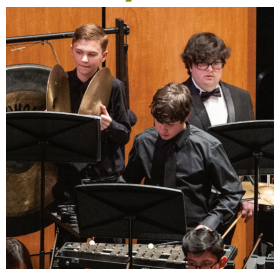

United by their love of music, nearly 350 elementary through high school students from numerous counties throughout southeast Michigan come together each Thursday to discover and nurture their passions for music.

Through our four-tiered orchestra program, we teach, guide, and foster musical growth in a friendly, supportive atmosphere.

We laugh, we play – literally.

## History

Established in 1975, OYO, a nonprofit 501(c)(3), has become one of the premier orchestral education programs in southeastern Michigan. Our alumni include both professional musicians and those who have pursued other careers while keeping the joy of music in their lives.

Through our weekly rehearsals and concert performances, OYO students develop lifelong skills of teamwork, commitment, organization and musicianship. OYO conductors encourage a high level of musical advancement within a supportive environment.

## We are Community

Aside from its dedicated student musicians and accomplished conductors, Oakland Youth Orchestras is made up of a community of supportive parents and board members. Our students' parents work together at volunteer and fundraising activities while our board members, most of whom are OYO parents, give their time and talents to ensure that OYO is guided by sound policies.

***"OYO played a pivotal role in my life. I not only developed as a musician, but as a person and leader. All of the conductors held us to the highest standards and supported us in rising to meet them."***

- Mary, OYO Alumni

## OYO SCORE Program

The **OYO SCORE** program uses dedicated funds each year to offer tuition aid to students based on financial

need, particularly students from underserved areas. This program is funded through donations from individuals, corporations, and foundations dedicated to supporting youth programs in our community.

## How Your Support Helps

Because we believe that music education should be accessible to all, OYO keeps tuition affordable for families and offers need-based tuition aid through **SCORE**. Tuition income, however, only covers about 60% of operating expenses so we rely on the generous support of our donors.

Every contribution supports our mission, makes participation accessible, and provides these program opportunities:

- Seasonal rehearsal and concert venue rentals
- Sectional rehearsals with professional musicians
- Community Outreach Recitals
- Chamber Ensemble classes and concerts
- Solo/Concerto Competition and Merit Awards
- Tuition assistance through **OYO SCORE**
